

# ISPCE 2014

MAY 5-7, 2014 • SAN JOSE, CA - USA

## 2014 IEEE SYMPOSIUM ON PRODUCT COMPLIANCE ENGINEERING

We invite you to the center of where it all began – Silicon Valley! Not only is this the global center of innovation and high tech, but it is also right in the middle of California's most vibrant recreation, entertainment, and education centers.

### Exhibiting at the show

The Symposium provides the perfect venue to reach qualified buyers for product safety related products and services! People attending our Symposium are:

- ✓ **Certifiers and Regulators**
- ✓ **Product Safety Managers and Engineers**
- ✓ **Regulatory Managers and Engineers**
- ✓ **Test Laboratory Managers and Engineers**

Contact Sue Kingston for Exhibit details - [skingston@conferencecatalysts.com](mailto:skingston@conferencecatalysts.com)

### Featured Tracks

- EMC Compliance**
- Energy Storage**
- Forensics**
- Hazard-based Safety Engineering**
- Innovation**
- Leadership**
- Medical Devices**
- Miscellaneous**
- Risk Analysis, Assessment & Management**
